## FOREWORD

This report provides data on persons employed in the Accommodation and Food Service Activities Industry in New Providence. The report contains information on occupation, sex; average hours worked and average basic wages per week for the year 2018. The information provided in the document was obtained from an administrative data source of leading Accommodation and Food Service Activities establishments which account for approximately fifty percent (50%) of total employment in these establishments operating in New Providence in 2018.
