\*Funeral benefit is a one time payment. It includes figures for Industrial Funeral.

\*\*Number of claims awarded represents the number of persons who submitted claims which were approved.

\*\*\*Number of benefit weeks paid is the number of weeks persons claimed for which they received payment.

N/A - Not Applicable

\*\*\*\*Unemployment benefit payments started in May 2009 and are paid every two weeks for a maximum of (13) weeks. Given that benefits are paid after each two week period has passed, the amount of benefits payments for the 2nd quarter does not include two weeks of benefits entitlement for that quarter. Benefit payments in the 3rd quarter include two (2) weeks of payments to the large number of initial claimants for two (2) weeks earned during the 2nd quarter.
