FOREWORD

This report provides data on persons employed in the Accommodation and Food Service Activities Industry in New Providence. The report contains information on occupation, sex; average hours worked and average basic wages per week for the year 2013. The information provided in the document was obtained from an administrative data source of leading Accommodation and Food Service Activities establishments which account for approximately fifty percent (50%) of total employment in these establishments operating in New Providence in 2013. Though limited in this respect, the results do provide valuable information on occupations, average basic wages (not including mandatory and other gratuities for tip category workers) and average hours worked in the Accommodation and Food Service Activities sector.

This report, previously named the '**Occupations & Wages Report in the Hotel Industry**' was renamed in 2011 to '**Occupations & Wages in the Accommodation and Food Service Activities Industry**' to comply with revised industrial classification outlined in the International Industrial Classification of All Economic Activities (ISIC 2008). Up to 2012, this report provided data for All Bahamas, New Providence and Grand Bahama and The Family Islands. However, this 2013 report provides data only for New Providence.. The Department of Statistics wishes to acknowledge the valuable cooperation and assistance of participating agencies such as the Department of Labour, The Bahamas Hotel Employers' Association (BHEA) and the Bahamas Hotel Catering & Allied Workers Union (BHC & AWU).

We gratefully acknowledge the assistance and contribution of the staff of the Labour Market Information Unit for the preparation of this report and the web administrator responsible for mounting it on the department's web-site.
